Troy Bush is married to Tina and they have three wonderful children. He has facilitated the starting of more than 100 churches and is passionate about reaching the lost with the Gospel by making disciples. He currently serves as the director of church starting for Embrace Baltimore, a Strategic Focus Cities effort of the North American Mission Board. His experience as minister of evangelism and missions at Olive Baptist Church, Pensacola, FL, and as the strategy coordinator for Moscow, Russia, while serving with the International Mission Board, gives him a unique perspective in reaching people that are not followers of Christ. He has mobilized churches in the US and Russia to participate in missions, developed urban church starting strategies and an urban church starting model, and is the author of LYNTYS™. LYNTYS™ is a simple, empowering way of life to make disciples that make disciples. Churches throughout the US and Russia are using LYNTYS to help them revitalize what it means to be a disciple of Jesus Christ. He has lectured and taught at seminaries and universities in the US and in Russia and holds a Ph.D. in Missiology.
